Dear _____

As part of my mission work this summer, I am planning to volunteer at Teepee Bible Camp in Rifle, CO. I will be working in the position of _____.
(Name of Desired Position)

All positions at the camp are on a volunteer basis. I am attempting to raise ministry support in the amount of \$_____ (*dollar amount should reflect your pay from your regular job for the time you will be at camp. If you are not currently working, you should use the current minimum wage multiplied by 72 or the total number of hours you are on staff*) for the time I will be at camp and away from my regular job. I plan to be at the camp _____ hours (*number of hours you will be working*). Any amount of money you can donate toward this goal would be greatly appreciated. Whether you can or cannot help financially at this time would you please remember me in your prayers before and during the time I will be ministering at camp?

If you are able to help financially in any way, you will need to send a check **made out to me** in the amount you wish to give. Send the check to: Teepee Bible Camp
7802 County Rd.319
Rifle, CO 81650

Write "Volunteer Support" in the memo area. The camp will hold the check in my name and will award the support money to me at the end of my service to the camp. You will also receive a letter from the director telling you how well I performed my job at camp.

You may wish to check out the camp's website at www.tepeebiblecamp.org or email the directors, Skip and Marie Stover at: tepeebiblecamp@gmail.com

Thank you for helping me to serve the Lord in this area.
